

Coming to New Harmony's Murphy Auditorium
December 7th, 2007 8pm

The Themba Girls Choir *of South Africa* with the Erin Bode Group

"Amazing and life-changing" is how St. Louis-based jazz vocalist Erin Bode describes a week in South Africa recording with this girls' school choir to launch a project of help and hope for young people with heartbreaking challenges. Join us for this very special benefit concert - one of only three United States performances.

A great musical experience that will lift your spirit!
